Student safety at Carlton North Primary School is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: Carlton North Primary School's grounds are supervised by school staff from 8:45am.

After school: Carlton North Primary School's grounds are supervised by school staff until 3:45pm.

Students on school grounds outside these times will **not** be supervised (unless they are attending a before or after school care program or supervised extracurricular activity).

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports practice).

Families are encouraged to contact the school office on 9347 4822 or refer to https://carltonnthps.vic.edu.au/before-and-after-care for more information about the before and after school care facilities available to our school community or if you would like any further information about our student supervision arrangements.

For a copy of our school's Yard Duty and Supervision Policy, parents/carers can access a copy of the full policy on our school website or from school administration upon request.
